If your work is 2D, will it be ready to hang? i.e. framed and installed with D-rings and picture wire? Gallery Marquee may be able to assist with the framing of works on paper, please indicate if that is something you'd like more information on. Works on stretched canvas do not need to be framed, but can be if you wish to frame them.

If your work is 3D or an installation, how will you display your art? Gallery marquee has 3-4 podiums that artists can use to display their work. If your show requires more podiums than that -you will need to provide those yourself.

Would you like to have an opening reception for your exhibit? If yes, on what date/time?
(Please note: We are currently open on Thursdays from noon-7pm, Fridays from noon-4pm, and Saturdays from noon-4pm. We might be able to accommodate an opening reception date or time that falls outside of our normal business hours so if you wish, please inquire about that.

*Please note: the earliest we are scheduling solo shows is
Summer/Fall of 2025.*
